

BLUECOAT PRIMARY ACADEMY SPORTS PREMIUM STRATEGY 19-20

Sports Premium is an amount of money which the government allocates to schools in order to enhance the PE provision at the school.

At Bluecoat Primary Academy, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all pupils. During the year children participate in games, dance and gymnastics lessons. The funding is used to enhance the existing PE and Sport provision via investment in new resources and specialist teaching.

Strategy for Expenditure

All our work aims to increase attainment, participation, confidence and skills whilst encouraging a life-long love of sport together with an understanding of the health benefits participation in sports activities brings.

Sport Premium Funding will enable Bluecoat to fulfil the following aims:

- to ensure that we can promote and support the importance of a healthy lifestyle and place particular emphasis on the wellbeing of our pupils;
- to ensure that pupils will learn how sport and activity impacts positively on all aspects of their lives and on that of the school;
- to improve the physical education experience for all children in our school;
- to support the school in increasing physical activity opportunities for our children;
- to enable our children to enjoy a range of school sport outside of the curriculum;
- to ensure access for all children to high quality physical education lessons to develop fitness, stamina, health and well-being;

We will fulfil these aims by:

- employing specialist P.E. coaches to work alongside teachers in lessons to increase their subject knowledge, skills and confidence in the teaching of P.E at the same time as provide the best quality provision for the children.
- providing CPD opportunities for staff;
- offering our children the opportunity to participate in a wide range of sports as well as sports beyond the curriculum;
- ensuring that our curriculum offers opportunities for pupils to develop the knowledge and understanding of what makes a healthy lifestyle;
- forging links with the local community to enrich the P.E. provision within school;
- buying quality assured teaching resources;
- subscribing to sports clubs and packages to enhance sports provision and healthy living.

Review of Expenditure 2018-19

In 2018-2019 Bluecoat Primary Academy received **£17,770** in Sports Premium Funding. This, along with academy funds was used to improve the quality of PE lessons, raise the profile of sports in school, provide more after-school clubs, improve the attainment of swimming at Key Stage 2 and enable children to be more active at breaktimes. A summary of expenditure is as follows:

Priorities for 2018/2019				
<ul style="list-style-type: none"> • Maintain good teaching of sports skills throughout school • Improve PE teaching further, particularly in the areas of dance and gymnastics • Maintain high levels of physical activity at breaktimes • Enhance participation in team sports and self-discipline in sports at breaktimes (particularly KS2) • Enhance participation in competitive sports • Increase the available space to deliver PE lessons and for team sports to be played outside of curriculum hours. 				
Action	Cost	Planned Impact	Measure	Outcomes & Appraisal
Sports Plus – Two full days with after school club	£13,825	Children in KS1/KS2 to receive expert sports coaching for at least one of their PE sessions each week. Staff to use these sessions for CPD and therefore the quality of all PE teaching to be good or better.	Judgement of quality of teaching in PE to be good or better. Increased staff confidence and ability in the delivery P.E in KS1/2.	PE teaching in the school is Good. It is stronger in games and gymnastics. We may need to provide further support or staff development in order to improve dance provision.
Procure sports equipment and training to improve team sports/cooperation at breaktime (particularly in Key Stage 2).	£400	Children will be able to organise their own team games and cooperate well with each other at breaktimes.	There will be reduced occurrences of fall-outs caused by team/competitive games.	More pupils are involved in purposeful sporting activities that develop ball skills, cooperative play, target practice and fundamental movement skills. Playtime incidents have been reduced compared to previous year. However, pupils in KS2 still find it challenging to organise and manage their own sports games such as football and basketball.
Sports Day at Harvey Haddon	c. £400	All children will compete at sports day and will be able to talk about how preparation and competition with themselves or others can lead to progress, successes and fulfillment.	Pupil voice will talk positively about competitive sports and that they know how competition can improve performance and lead to success.	Pupils and parents spoke positively about the sportsmanship, activities and approach to sports day. Use of secondary sports leaders provided good role models to pupils.
Dance CPD for staff	£200	Staff will have a range of techniques and resources that they can draw on when planning and delivering gymnastics and dance lessons.	Monitoring of PE will show that teaching of dance and gymnastics is good and better.	Other CPD priorities meant that this CPD did not happen. However, Dance workshops were purchased for classes linked to their curriculum topic in order to provide high quality dance for the pupils and develop staff awareness of effective dance delivery.
Create permanent, outdoor sports area for use during PE and for team sports at breaktimes.	£80,000	Increased timetabling of outdoor PE. Increased number of children involved in team sports at breaktimes.	Monitoring to show increased usage.	Multi-Use Games Area and additional play space created during the summer holiday in preparation for use in 2019/20 to allow for improved time and quality of outdoor sports within and beyond curriculum time.

Planned expenditure on P.E for 2018/2019

The school expects to receive £18,420 for the academic year 2018/2019.

Priorities for 2018/2019				
<ul style="list-style-type: none"> • Deliver high quality PE lessons as well as supporting school staff with CPD... • To broaden the sporting opportunities available to pupils outside of curriculum time in order to further develop a love of sports, promote healthy lifestyles and develop skills. • To instil in pupils a love of sport, develop positive sportsmanship and a desire to compete.
