GREAT CENTRAL MEATS LTD
STATEMENT ON THE USE AND SUPPLY OF HALAL MEATS.

We are able to supply the public sector with Halal slaughtered meat, however, we have made the ethical choice and acknowledge that there is a particular demand within this sector to supply only meat that has been pre-stunned in accordance with animal welfare regulations.

The above decision is in recognition that our customers have expressed their concerns with regards to the Halal slaughter and welfare of animals used for such.

We must firstly advise that Halal meat is supplied on a **request only** basis and is clearly identified by its labelling.

Yours Faithfully

Shaun Cooper
Director
